Water  
on the  
Outside

**WHETHER IT'S A HOME OR  
COMMERCIAL BUILDING,  
VIKING'S ROOFING,  
DECKING, AND BELOW-  
GROUND WATERPROOFING  
SYSTEMS, KEEP WATER  
OUT AND ENSURE IT STAYS  
OUT... FOR GOOD.**

# ABOUT US

VIKING ROOFSPEC IS A MARKET-LEADING PROVIDER OF QUALITY ROOFING AND WATERPROOFING MATERIALS. WE'VE BEEN PROTECTING PROPERTIES IN NEW ZEALAND; THE PACIFIC ISLANDS AND EVEN ANTARCTICA FOR NEARLY 50 YEARS.

---

We have these markets well covered with a nationwide team of Territory and Technical Managers who are catalysts between all key stakeholders in a project; from an initial consultation with the architect or building owner; interaction with contractors and Territorial Authorities; through to completion of the project.

# EXPERIENCE COUNTS

WITH NEARLY HALF A CENTURY OF SUCCESS IN THE CONSTRUCTION SECTOR, VIKING ROOFSPEC HAS BEEN TRUSTED BY THOUSANDS TO PROTECT WHAT IS USUALLY A FAMILY OR COMMUNITY'S MOST VALUABLE MATERIAL ASSET; ITS HOME OR BUILDING.

We've worked with thousands of home-owners both locally and abroad, through to leading multi-national businesses and Government departments including: Fonterra; Fisher & Paykel; Foodstuffs; Progressive Enterprises; Ryman Health; Te Wananga O Aotearoa, and the Ministries of Justice; Health; Broadcasting; Education; and Corrections to name a few.

# BUILT FOR NZ

NEW ZEALAND'S DEMANDING  
CLIMATE REQUIRES AN EXACTING  
APPROACH TO ROOFING AND  
WATERPROOFING.

---

Viking Roofspec's systems are some of the most technically-advanced on the market which have been specially developed to handle New Zealand's harshest elements.

We ensure our materials are rigorously tested and officially certified (through BRANZ and/or CodeMark), not only to demonstrate Building Code compliance, but more importantly, to ensure they will withstand everything New Zealand's weather can throw at them.

**“ WE GET A LOT OF  
HEAVY RAIN AND  
ENJOY LIVING WITH  
THE ABSOLUTE  
CONFIDENCE THAT  
WE WON'T HAVE TO  
COPE WITH DRIPS  
AND DAMP CEILINGS  
AND WALLS AGAIN.”**

**STEPHEN AND YURI, AUCKLAND**

**“ WE’RE EXTREMELY  
HAPPY WITH THE  
NEW ROOF. VIKING  
DELIVERED THE VERY  
BEST JOB WITH A CARING  
ATTITUDE, WONDERFUL  
COMMUNICATION AND  
ENSURED WE RECEIVED  
A TOP-NOTCH FINISH.”**

**MAGGIE, AUCKLAND.**

# WORKING WITH YOU

**SUCCESSFUL PROJECTS ARE THE RESULT OF CRYSTAL-CLEAR  
COMMUNICATION BETWEEN ALL STAKEHOLDERS; WITH THE BUILDING  
OWNER’S NEEDS BEING THE NUMBER ONE PRIORITY THROUGHOUT  
THE PROJECT.**

We believe our ears are our most important tool. A roofing, decking or tanking project need not be stressful. Alleviation of any potential anxiety comes through Viking and our Approved Applicators listening to you - the customer - and then ensuring the right solution is specified and more importantly, installed to specification; all-the-while keeping you informed as the project progresses.

**“ OUR HOUSE IS A CAPE COD DESIGN, SO OUR ROOF IS VERY VISUAL. WE WERE ORIGINALLY GOING TO LEAVE IT AS IT WAS, BUT DECIDED A NEW ROOF WOULD JUST MAKE IT. WE WERE RECOMMENDED VIKING ROOFSPEC AND WE’RE VERY HAPPY WITH OUR DECISION.”**

**ANDREA, AUCKLAND.**

# DOING IT WITH STYLE

A ROOF SHOULDN'T JUST KEEP YOU DRY, IT SHOULD ADD STYLE AND VALUE TO YOUR MOST IMPORTANT ASSET.

---

Viking Roofspec's products combine leading-edge function with design flair, so you can rest assured they'll perform in every situation and look good too. That's true value for money.

**OUR PRIORITY FIRST AND FOREMOST IS TO KEEP WATER OUT OF BUILDINGS. SECONDLY, IT IS ABOUT MAKING THEM LOOK REALLY GOOD.**

# INNOVATIVE BY DESIGN

**WE DON'T TAKE CHANCES WITH YOUR HOME OR BUILDING. WE DON'T SET OUT TO BE REVOLUTIONARY – WATERPROOFING IS A SERIOUS BUSINESS AND IT CAN'T BE TOO HIGHLY TRICKED.**

---

Having said that, we still watch the international roofing and waterproofing space closely. The systems we introduce are scientifically-tested. They are at the forefront of waterproofing and design innovation, incorporating the latest technical advancements from around the world and are produced by manufacturers who've committed their lab resources to ensuring a watertight finish.

# INSTALLATION IS EVERYTHING

THE PERFORMANCE OF ANY CONSTRUCTION MATERIAL RESTS SOLELY ON THE STANDARD OF WORKMANSHIP IN ITS INSTALLATION

At Viking, we've taken this mantra so seriously, that we've invested substantial resources in establishing and running the Viking Waterproofing Licensing School. This has frequently been touted as the industry's best by-far, with its comprehensive curriculum and stringent three-staged, hands-on, licensing programme to ensure every installer is applying our materials; not only to our specification, but with the care, pride and attention to detail that makes the job attractive and more importantly, 100% water-tight.

**“ THE KNOWLEDGE, ADVICE AND PROFESSIONALISM OF THE VIKING-TRAINED APPLICATOR MADE THE DAUNTING PROCESS OF RE-ROOFING VERY SAFE AND SIMPLE.”**

**PHILLIP & KIRSTEN, AUCKLAND.**

# IN HARMONY WITH THE ENVIRONMENT

THE RIGHT WATERPROOFING SYSTEM IS VITAL TO ANY BUILDING'S DESIGN, NOT ONLY FOR KEEPING IT DRY, BUT ALSO FOR REDUCING ITS IMPACT ON THE ENVIRONMENT.

Viking understands the importance of green building practices: we use recycled materials wherever possible; our roofing solutions have high UV reflection to reduce energy consumption; and our roof gardens promote clean air, reduce storm water and increase energy efficiency.

**AS A MEMBER OF  
THE NEW ZEALAND  
GREEN BUILDING  
COUNCIL SINCE  
2008, WE'RE  
CONSTANTLY  
SEEKING NEW  
WAYS TO SUPPORT  
SUSTAINABLE  
ROOFING METHODS**

# OUR PEOPLE

AN ORGANISATION IS ONLY AS GOOD AS ITS PEOPLE.

At Viking Roofspec we are driven by our commitment to lifting the standard of roofing and waterproofing in New Zealand, while exceeding our customers' expectations.

**“ I KNOW IT SOUNDS CLICHÉ, BUT WE REALLY ARE A ‘TEAM’ – OUR CULTURE IS INHERENT INTERNALLY AND EXTERNALLY. WE WILL GO THE EXTRA MILE FOR STAFF AND CUSTOMERS TO ENSURE WE CREATE A SENSE OF FAMILY”**

**ROD MCANEANEY  
GENERAL MANAGER  
VIKING ROOFSPEC**

# BACKED FOR PEACE OF MIND

VIKING SYSTEMS ARE BUILT TO  
LAST AND WE BACK ALL OF OUR  
PRODUCTS WITH SUBSTANTIAL  
WARRANTIES

---

No matter how strong the financial backing, a warranty is worthless if the supplier having issued it, lacks the integrity to stand by it. Viking Roofspec is a company that not only has significant financial backing, but we stand by our warranties.

For specific projects, you can apply and may qualify for, a higher-level warranty called the Viking Full System Warranty. This is where the materials and workmanship are covered for 20 years under the one document. This represents absolute risk minimisation whereby you'll only have to deal with one company in the unlikely event that the need arises.

Viking Roofspec is part of the locally owned and operated Tiri Group of companies (alongside Masport and Aspiring Walls), so you are assured our warranties come with the full support of a large, locally owned successful company.

TIRI GROUP LIMITED

# OUR BACKGROUND

COMING FROM A PROUD 100 YEAR  
HISTORY UNDER THE SKELLERUP  
BRAND, VIKING ROOFSPEC  
CONTINUES THE TRADITION  
OF PROVIDING DEPENDABLE  
WORD-CLASS ROOFING AND  
WATERPROOFING SOLUTIONS.

---

In 1967, Skellerup began the manufacture of its Butylclad rubber membrane and went on to become one of New Zealand's largest producers. To this day, Butylclad membranes are still manufactured in Christchurch to Viking's exclusive specification.

Viking Roofspec is part of Viking Group Limited which is a subsidiary of Tiri Group. Tiri Group is a significant New Zealand owned-and-operated company made up of 10 successful New Zealand businesses, collectively employing 600 staff and turning over \$300 million.

We have sales and distribution centres in Auckland and Christchurch; with the Auckland branch serving as its Head Office where administration, technical labs, training facilities and marketing divisions are located.
