

Viking Details - Revit

Notes

All Viking Revit Families:

1. Are made natively within Revit (no CAD imports).
2. Have instance-based lengths (where relevant) allowing for easy push/pull length changes.
3. Have pre-populated type parameter "descriptions" allowing for automatic notation by multi-category tagging .
4. Have minimal object style/ linestyles so your project doesn't get cluttered (the Viking components are coloured within this project by the use of view filters)

Revit Object and Line Styles Used

DRAWING TITLE

Viking Torch-On
Revit Notes

NOTES:

- Viking Waterproof Membrane as notated can be Viking Gemini, Lybra or Phoenix Super.
- All fixings, cladding and structure are indicative only unless notated.

Viking Torch-On systems are CodeMarked
